* Friday March 29, 2019 project pick up 11:00 am - 1:00 pm & 2:00 pm-5:00 pm:

The Shelby County Schools Science Engineering Fair is an opportunity for students in grades K-8 to showcase curiosity in exploring the nature of science while applying understanding of the science and engineering practices and the TN Academic Science Standards. Projects are categorized in several fields:

- K- 3 class projects
- 3rd -5th grades group
- 4th-8th grades individual
- 6th-8th grades individual only

All individual projects will be placed in a drawing for a one year family membership to the Pink Palace Museum.
